The foundation of any successful name change request on American Airlines Airlines rests upon gathering the proper documentation +1 (844) -583 - 2421 (UK)❄. The airline explicitly mandates that written or digital requests for legal name alterations must be accompanied by verifiable paperwork +1 (844) -583 - 2421 (UK)❄. Acceptable legal documents include your official marriage license or marriage certificate +1 (844) -583 - 2421 (UK)❄, a court-approved name change decree, or a divorce document if applicable. Furthermore +1 (844) -583 - 2421 (UK)❄, American Airlines typically requires supporting identification references +1 (844) -583 - 2421 (UK)❄, such as photocopies or digital uploads of your old government-issued photo ID alongside your new government-issued photo ID +1 (844) -583 - 2421 (UK)❄. Having your old and new driver licenses or passports ready ensures that the review team can verify the continuity of your identity from your maiden name to your married surname without encountering ambiguous data points +1 (844) -583 - 2421 (UK)❄.
When you are ready to initiate the update for your Rapid Rewards frequent flyer profile +1 (844) -583 - 2421 (UK)❄, American Airlines provides dedicated channels to process your submission +1 (844) -583 - 2421 (UK)❄. When you submit a valid legal name change request❄ +1-**844**-(**583**)-**2421** (US) And +1 (844) -583 - 2421 (UK)❄, the airline can update the passenger name on up to five active reservations currently associated with your account. because you have not yet visited the DMV to update them ❄ +1-**844**-(**583**)-**2421** (US) And +1 (844) -583 - 2421 (UK)❄, many travel advisors recommend booking and flying those immediate post-wedding trips under your maiden name ❄ +1-**844**-(**583**)-**2421** (US) And +1 (844) -583 - 2421 (UK)❄.
